Dear Parents,

After working in collaboration with our school division's senior administration team to carefully consider the guidelines set out by the Alberta Schools Athletic Association (ASAA), we are extremely excited to announce that we will be moving forward with providing our students with the opportunity to participate in STA Athletics. Our athletic programming will take place both before and after school and will be called STA Intraschool Athletics. Our students will be provided with the opportunity to develop their athletic skills by practicing and scrimmaging against one another. At this time, it has been decided that there will be no game play that will take place between STA and any other school. Having said that, our programming will officially begin with Volleyball tryouts on Tuesday, September 15. Coaches for all of our Intraschool Athletics teams will select enough players so that intrasquad games can take place. Once teams are made, practice and game times for all sports will be scheduled and advertised on the STA Gym Calendar.

All students wishing to try out for our Volleyball teams need to pre register by clicking on the link posted below and by completing the Google Form.

[Volleyball Registration Form](#)

The following COVID related rules and expectations will be adhered to on an ongoing basis and until further notice.

- Participant tracking will take place.
- Guidelines stating a maximum number of 50 people attending an indoor event will be strictly enforced throughout the tryout process and season play.
- Students will be required to sanitize their hands prior to entering the gym and following their session.
- Students will be required to wear a mask while changing into the appropriate athletic wear and when directed by their coach.
- Equipment will be sanitized at the end of each session.
- Until our tryout process is complete we will not be allowing people to enter the gym to view practices and scrimmages. This decision has been made in an effort to adhere to physical distancing expectations. This expectation will be relaxed once the season begins and we will communicate this change to parents when it is appropriate to do so.

If you have any questions about this information, please feel free to reach out to me at [gerry.doll@rdcrs.ca](mailto:gerry.doll@rdcrs.ca) or to any member of our school administration team.

Sincerely,

Gerry Doll  
Athletic Director

## **Senior Volleyball Tryout Schedule**
