October 22, 2020

Dear Parents/Guardians,

We want to inform you that we will be celebrating Halloween here at STA on Friday, October 30th. Teachers will be planning and delivering activities within their homeroom classes. These activities will take place in the afternoon and will be designed to provide students and staff with the opportunity to have fun and build community outside of regular classroom activities.

Students are invited to dress up in their costumes or to wear black, orange or purple for the full day. This year we are asking that students arrive at the school with their costume on rather than changing at school. Please remember our school/division guidelines pertaining to Halloween costumes:

- We ask that students do not wear masks as part of their costumes; makeup is acceptable as it will allow students to wear this component of their costume for the duration of the day as needed.
- Students are not allowed to bring any type of weapon to school.
- All costumes must follow our school dress code expectations.

As always, if you have any questions or require any further clarification, please do not hesitate to reach out.

Yours in Christ,

Ian Stang
Principal
