August 27, 2020

Dear Parents,

As the first day of school approaches, we want to make you aware of a few final details regarding school start-up:

1. You will receive a brief introductory email from your child's homeroom teacher on Friday, August 28th. This email will also be sent to your child's RDCRS Google email account. Our staff have invested significant time and attention into creating each of our class lists for the 2020-2021 school year. If you do not receive this email, please ensure that your child reports to their designated entrance by 8:30am on their assigned staggered entry date. A STA staff member will be present at each entrance to direct them to the appropriate teacher and location.
2. Thank you for not contacting our staff this weekend, as we want to give them time to spend with their families and prepare for the first day of school.
3. Please send your child with a mask that they can wear into the school.
4. Our cafeteria will be open starting on August 31st, but will be offering limited breakfast/lunch menus.
5. Lifetouch Studios will be present at the school to take individual student photos on September 3 and 4th. Appropriate COVID protocols will be followed.

Thank you for your attention to these items and we look forward to welcoming our students back to our hallways and classrooms starting on Monday, August 31st.

God Bless,

STA Administration
