April 30, 2021

Dear Parents / Guardians,

Effective Monday May 3, 2021 our Grade 7 - Grade 12 students within the City of Red Deer will shift to at-home and online learning as per the most recent Alberta Government's mandated public health measures announced on April 29. The City of Red Deer has been identified as an area with increased Covid cases hence the expanded restrictions resulting in this operational shift to learning at home. The shift will be in place for two weeks for city schools with students returning to school on May 17, 2021. The Alberta Government will continue to monitor the situation throughout this time period to determine if additional time and measures are needed to mitigate risks and limit exposure.

Please note that this shift to at home and online learning encompasses the City of Red Deer therefore we will continue to deal with our rural school communities case by case as we have in the past in collaboration with Alberta Education and Alberta Health Services.

As always, do not hesitate to reach out to your child's teacher, school counsellors, and school administrators for additional support or clarification. While this is a challenging time, we continue to trust in the Lord with all our heart, leaning on each other for support and companionship. Thank you for your continued support and understanding.

Have a safe and blessed day,

Ian Stang
Principal
