Dear Parents / Guardians,

We hope that this letter finds you and your family healthy and well. In May and June of this year, students in Grade 6 and 9 throughout the province will write provincial achievement tests in five subject areas: French Language Arts, English Language Arts (ELA), Mathematics, Science, and Social Studies. Results from these tests will provide Alberta Education, school administrators, teachers, parents, students, and the public with information about what students know and can do in relation to provincial standards at the end of Grade 6 and 9.

Below you will find the schedule for the Provincial Achievement tests with our first tests starting in May. These tests are important pieces of data that we at St.Thomas Aquinas use to reflect on our current practices and guide our instruction for the next school year, therefore we appreciate any support you can give your child in preparation of the exams.
