Dear Parents/Guardians,

Thank-you to those parents who were able to attend our Meet the Teacher open house yesterday evening, it was great to connect with so many of you. In an effort to provide you with additional information about our staff members, we have created a Meet the Staff document that is complete with pictures and profiles of all our staff. If you have a moment, feel free to click on the link below so that you can learn more about the adults within our building who will be caring for and supporting your children this school year.

Additionally, we want to take this opportunity to thank-you all for preparing your children for an excellent school start-up. Last June we reached out to you for your input on beginning our school year. After considering your feedback, we decided to begin this school year with a staggered start, and as a result, the first few days of school have been excellent - thank-you for your input.

Lastly, I want to make you aware that our Week at a Glance is shared digitally with all parents at 4:30pm every Friday. This is a great resource for you to remain informed of many of the events and activities that will be taking place at STA throughout the school year. If for some reason you are not receiving this weekly communication, please reach out to our main office at 403-346-8951.

Have a great weekend,

Ian Stang
Principal
