Dear Parents/Guardians,

We want to inform you that we will be celebrating Halloween here at STA on Monday, October 31st. Regularly scheduled classes will take place in the morning, and a school-wide dance will take place in the afternoon from 1:30-3:15pm. Any students who do not wish to participate in the dance may choose an alternate activity that will be organized and supervised by staff. A photobooth will be set up in the front foyer of the school for the duration of the day and students will be able to use this booth to take pictures before school, at lunchtime or after school. We will not be making any changes to our current cell phone policy to accommodate activities planned throughout the day.

Students are invited to dress up in their costumes or to wear black, orange or purple for the full day. If your child chooses to dress up for Halloween this year, we are asking that they arrive at the school wearing their costume, rather than changing at school. Please remember our school guidelines pertaining to Halloween costumes:

- We ask that students do not wear masks as part of their costumes; makeup is acceptable as it will allow students to wear this component of their costume for the duration of the day as needed.
- Students are not allowed to bring any type of weapon to school.
- All costumes must follow our school dress code expectations.

As always, if you have any questions or require any further clarification, please do not hesitate to reach out.

Yours in Christ,

Ian Stang
