Highlights

- We remain proud of our results in the Welcoming, Caring, Safe, Respectful Learning Environment measure. We pride ourselves on continuing to provide an environment where students feel safe and learning can take place.
- We believe that our continuous focus on providing diverse and inclusive academic programs to meet the needs of all learners has helped us achieve 90.4% satisfaction with Education Quality.
- With many diverse learners in our school, we strive to meet all of their needs. 89.5% of our students indicated that they know how to access supports and services to help them with their learning and social-emotional needs.

Faith Survey Results

91% Percentage of students who agree that their school encourages them to learn about their faith at school.

97% Percentage of parents who agree that our school encourages students to understand the church's mission to help the common good and students' personal responsibility to actively participate in society – through service to others.

97% Percentage of students who feel they are safe to share, reflect, and examine their faith.

Targeted Areas

- Our Grade 6 teachers are focusing on the new Alberta Education Curriculum for both mathematics and english and literature.
- We continue to permeate faith into every learning experience as we want our students to see and experience God in all things.
- Through high-yield instructional strategies our staff strive to meet the needs of all learners.
- Through works of social justice and service projects our students are taught that all people are made in God's image.

Future Priorities

- ✓ **Faith Priority:** Students and staff will continue to encounter Christ through nurturing acts of service and social justice.
- ✓ **Student Learning Priority:** Implementation of high-yield instructional strategies, will allow students to encounter differentiated learning structures to meet their diverse learning needs.
